Parents in Toto Autism Research Center has been in Zelienople for almost 4 years. The Center creates a comfortable, welcoming environment where parents, diagnosed individuals, families, and friends can gather socially, educationally, and spiritually without judgment or prejudice.

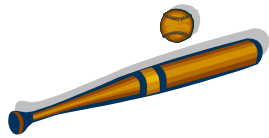

Game Day

What are we doing at the clinic?

Softball Part

This is an opportunity for young girls to learn new drills that will help improve their fast pitch softball skills. We will be doing offensive drills for an hour and defensive drills for an hour. All the drills taught can be used at home to practice.

Parents in Toto donation collection

While your daughter is learning new drills, there will be an informational display of Parents in Toto. If you feel you would like to donate more to this generous center, there will be an area for anyone interested in donating more.

***Note that with your \$20 fee part will go towards your daughters t-shirt and the rest will go towards Parents in Toto.**

Drills for Skills Senior Project

During the clinic girls ages 7-15 will be getting hands on instruction to help improve their fast pitch softball skills. This form approves that your daughter has permission and will be participating in the clinic on March 17th, 2012. **Please have your daughter there no later then 10:20 am. Please bring water, glove, bat, tennis shoes and helmet.** If your daughter does not have a bat, glove or helmet, there will be equipment for her to borrow. It is important your daughter has tennis shoes since we will be on the gym floor. **Please return this form to Megan Buletko no later than February 20th 2012** Please include **\$20 cash or check** made payable to Megan Buletko for your daughter's t-shirt and donation to Parents in Toto and this **completed form** in an envelope. You may mail the money and form (email or call Megan for address). If you have any questions please contact Megan Buletko at mtbul@zoominternet.net or 724-584-8800.
